

2025 COMPETITION
FOR TOWN AND PARISH
COUNCILS/COMMUNITY
ORGANISATIONS/ALLOTMENTS

South Gloucestershire Cross Sector Food Partnership

GROWING FOOD TOGETHER COMPETITION

 Register to enter our Growing Food Together competition for Town and Parish Councils/Community organisations/allotments.

 Are you part of a local organisation interested in growing your own delicious food that is also good for the planet?

 We are running a food growing competition! Growing food together is not only exciting but also strengthens our communities and promotes healthier lifestyles. Whether your organisation has a garden or just a small outdoor space, you can participate and make a positive impact.

 Join us to help our environment and improve our community for future generations.

**REGISTRATION
DEADLINE
30 APRIL**

STEP 1: Register your organisation by **30 April** and get your free packets of lettuce seeds! (up to 5 packets of organic lettuce seeds)

To participate, you'll need to grow some lettuces. Additionally, there are two optional categories you can enter: most plentiful vegetable patch and most wonky vegetable.

From planting the seeds to enjoying your fresh lettuce takes about 6 weeks. Here's how you can do it ➡

HOW YOU GROW IT: LETTUCE

TIP: There are many varieties of lettuce, try growing little gem lettuce, they're quick to grow and small in size.

STEP 2: Take a photo of your growing patch or space before you plant your seeds and email it to: Climate.Emergency@southglos.gov.uk by **30 April**.

STEP 3: Grow your plants. Ensure they receive plenty of water and plenty of care. Here are some useful tips to help you grow the most flavourful vegetables: [How to Grow Lettuce](#) » *RHS Vegetables*
[10 Easy-to-Grow Vegetables for Beginners](#) » *BBC Gardeners World Magazine*

STEP 4: Ready to harvest? Simply take a photo of your plants and count your lettuces before washing and enjoying them. Submit your photo to participate.

We will send an email reminder on the 1st of August and then you will have until 30 August to send in a photo of your plants.

COMPETITION ENTRIES:

1. Most lettuces grown successfully by your organisation (email before and after photos and the number of lettuces grown)
2. Most plentiful vegetable patch (email before and after photos)
3. Most wonky vegetable (email photo/s).

Entries will be judged using the photos (plus number of lettuces) submitted and winners will be asked to agree to have a short film taken showing their lettuce plants/vegetable patch.

Prize: £50 for each of the 3 categories (Total £150)
