## **PARISH COUNCIL REPORT**

April 2025

### General Update

**Little Stoke & Stoke Gifford continues to be a low crime area.**

**The usual ASB locations of Mead Park, 100 acre wood and Stoke Park has not suffered these past few months but with the summer approaching it is an area that will be patrolled and monitored.**

**Abbeywood school has not reported many issues only a few sextexting and deep nude fakes that have been investigated, NFA due to insufficient evidence. I have continued to attend regularly, engage with students and safe guarding leads.**

### **Review of ASB**

#### Top locations

Traditionally, ASB issues increase in the summer and usually the top location we encounter is Little Stoke Player Field, Mead Park, and Fox Den Road. When summer arrives, the patrol in the area increases. And we are trying to work in conjunction with the staff of the parish council regarding the parks to address the issue.

## Business Engagement

Recent engagement with the new ALDI, Beefeater and Costa which has recently opened on Fox Den Retail Park. Costa had a recent issue following an incident at the store. Costa are happy to build up engagement along with ALDI and Beefeater and are happy to see us use their location for any talk to us events. A consideration during the summer months.

Following HYDRANT training which covered CSE I attended the new Premier Inn located near Parkway Train Station, as my fear was that as this is so close to the railway station it could be an ideal location for children to be brought from around the country, and abused. I was alarmed to see that the new set up does not have a person at the desk but is all virtual, highlighting to me how simple it could be to use and abuse vulnerable people with there not being a real person to raise suspicions. I did speak to a manager there, offered my contact details and discussed my concerns.

## Useful Contacts

101 or Report Online or in an emergency 999

## Street Safe

Street Safe is a service that lets you report safety concerns in public places without sharing your identity (anonymously). This encompasses issues such as poorly lit streets, abandoned buildings, or vandalism, and situations where you feel unsafe because of someone following or verbally abusing you.

Street Safe is not meant for reporting crimes or emergencies. If you witness a crime or emergency, please call the police on 101 or report the crime online. Read our advice if you're unsure if something is a crime or not.

Examples of situations that should be reported to Street Safe include a poorly lit alleyway that makes you feel unsafe, or a park with broken equipment that poses a safety hazard.
