4	Public Session [3-5 MINUTES PER PERSON WITH A MAXIMUM OF 15 MINUTES PER SESSION] – Eight residents were in attendance. A resident had received an email from an SGC officer recently confirming that a Road Safety officer has carried out a road safety audit along Gypsy Patch Lane and will up-	

<p>date residents and local council with the outcome.</p> <p>Councillor Keith Cranney mentioned this was discussed at a recent South Gloucestershire Council meeting and was pleased to hear the audit has now taken place.</p> <p>Residents were present from Brins Close, Stoke Gifford to express their concerns over the noise, anti-social behaviour and often smell of drugs coming from the basketball courts within the Trust Grounds. The residents are aware the facility is managed by the Trust Committee and have been dealing with Trust members in recent months however as the hoops have recently been reinstated (following a period where the hoops were taken down) the neighbours have concerns over the constant issues coming from the facility during the evenings. Resident's properties are no more than five metres from the facility, and the residents feel the basketball court is noisy, even without the all-too-common antisocial behaviour. Also, it is felt by those using the court that it is too small to organise a suitable game, and that Tennis courts are not suitable to hold a basketball facility.</p> <p>The Trust Committee have recently encountered some anti-social behaviour from youths booking the courts for Basketball, including a stolen padlock, loud music being played, smoking, drinking of alcohol, and damage to the perimeter fencing. Residents confirmed they had called the Police on more than one occasion when the situation was particularly bad.</p> <p>The residents would like to see the parish council contact the Trust Committee and ask that the Basketball facility be removed from the Tennis Courts and look into an alternative location on site or building a basketball facility at one of the other sites managed by the parish council, like Meade Park or Little Stoke Park.</p> <p>Councillor Penny Richardson informed members she noticed that a brand new Basketball court is being built within the grounds of Mulgrove Farm, which is very local to residents living in Stoke Gifford, and Councillor Dave Addison also mentioned Bradley Stoke Town Council are looking into the installation of a new Basketball facility.</p> <p>Councillor Andrew Shore who also sits on the Trust Committee as a Trustee member, is disappointed this subject is being discussed by parish members and feels this is a matter for the Trust Committee to discuss as they manage the land and the facilities within the grounds.</p> <p>Following a lengthy discussion, Councillor Penny Richardson proposed Stoke Gifford Parish Council formally write to the Trust Committee recommending the basketball facility is removed from the tennis courts, seconded by Councillor Sue Bandcroft, a vote was taken 5 for, 3 against, 2 abstentions, proposal carried.</p> <p>Councillor Penny Richardson then proposed for Stoke Gifford Parish Council to look into the possible locations for a basketball facility within the parish, including Trust Grounds, Meade Park, Mike Gallivan fields and LS Park, and investigate the costs to build a full sized basketball court to include any planning requirements, seconded by Councillor Jan Brunwin, a vote was taken, 6 for, 1 against, 3 abstentions, proposal carried.</p> <p>Pc Liz Ball confirmed that recent statistics confirm there is low ASB in Stoke Gifford</p>	
--	--

	<p>and urges residents to report all ASB to the Police.</p> <p>PC Liz Ball confirmed this will be the last council attended before retirement after many years of service. Thanks were given to the council staff and Councillors for the support during PC Liz Ball's time as Beat Manager.</p> <p>The Chair, Councillor Keiron Marsden thanked PC Liz Ball for her service and dedication to the role and gave a vote of thanks from all at Stoke Gifford Parish Council.</p> <p>The PCSOs will remain in post and as soon as a replacement in place the council will be informed.</p>

I have added wording to say there would be an additional staff meeting for the eighth one – as I say, it does not always happen!</i> 2- <i>I have removed the mention of the 6-monthly report. We provide that directly to SGC anyway as part of that contract.</i> 3- <i>The Development Worker post is still vacant.
