Who are we?

We are a partnership of youth work providers across the area, delivering safe and accessible youth work activities for young people.

We are a subgroup of the South Gloucestershire Youth Work Partnership, funded by South Gloucestershire Council's 'Youth Activities Offer' which consists of nine youth work providers.

FACE is the lead organisation across the 'Lot 1' area, coordinating joint meetings, contracts, and monitoring.

What is Lot 1?

Lot 1 is the geographical area covering all parishes and towns to the west of the Local Authority of South Gloucestershire, which stretches from Filton to Tortworth.

Youth Vehicle

We have access to the new South Glos Youth Services mobile youth vehicle affectionately known as DORIS".

This vehicle can be used to reach rural young people and deliver youth work opportunities in areas where there is no building base.

We use DORIS on Monday evenings within Lot 1 area – please get in touch if you'd like to talk to us about youth work coming to your parish/area.
